Program Overview

Enjoy a program of eight one hour group lessons with players of your level and tennis interests. The goal of the program is to progress the players into competent playing members of the Richmond Hill Country Club enjoying all that the club has to offer.

This program will have a maximum of 4 players per coach.

Together with your coach you will focus on essential strokes and skills. In addition, players will also learn and review the required strategies for both singles and doubles play.

The Club is offering this program under the traditional club memberships Body Zone, Spa Club, Simply Tennis as well as Program Membership**
