RICHMOND HILL COUNTRY CLUB
Daycamp

PHILOSOPHY

*More than a summer of learning & fun...
It's a lifetime of skills & great memories!*

Richmond Hill Country Club Day Camp is a non-denominational day camp located on acres of park land.

Safety is of the utmost importance to our campers and staff. We believe that we have the perfect environment that allows for personal growth while not compromising one's safety.

We believe that our camp environment provides children with the continual support and enrichment to develop skills in tennis, golf, sport and creative activities that will last a lifetime.

We're determined that to prepare campers to be their best and cope with the sometimes harsh challenges around them, they will have to be equipped with three things:

1. A more positive view of themselves; when they look at themselves, we want to give them specific reasons to see someone who has worth and value and someone who is caring, confident, smart, a good problem solver, creative and more;

2. More skills they can use throughout life – “life skills” like communication, teamwork, responsibility and friendship-building, that help them play and learn and develop solid, positive relationships with others; and finally

3. More knowledge about the outdoor world so they will better respect and take care of living things and the environment.

We believe that each camper is an individual and should be treated that way. As individuals, these campers contribute to the camp community and grow while learning and experiencing from others.

Respect for the individual and the camp community is fostered through social interactions and lifelong friendships.

At Richmond Hill Country Club Day Camp, we strive to create the perfect camp setting where quality programming and a caring camp community leads to a lifetime of skills and great memories!

Camp Safety

The staff at RHCC Day Camp follow strict guidelines when caring for your child. A health care provider is on site from 9:00am to 4:00 pm each day and all staff complete a three-day training session each year prior to camp.

Camp Busing

Door to door bus service is included in the camp fees. The Richmond Hill Country Club provides busing to campers in the Toronto, Thornhill, Richmond Hill and Maple areas. Bus Monitors travel with campers to assist children on and off the bus, create a friendly and fun atmosphere, and ensure safety.

*Aurora, Woodbridge, Markham and below Lawrence will be depot bussing.

Sun-Safe Days

The camp provides a sun-safe environment for campers, in our many natural shaded areas and covered structures. We stress sun-smart habits and promote that campers wear their sunhats and shirts during the day. T-shirts in the pool are also encouraged. RHCC provides sunscreen to all campers. Please remember to label all clothing!

Junior Golf Program

HALF DAY PROGRAM

FOR BEGINNER AND NOVICE JUNIOR GOLFERS

Our ½ Day Program is dedicated to the beginner or novice junior golfer aged 6 to 13. The program consists of a half day of golf at the Richmond Hill Golf Club, and a half day of other fun activities at the Richmond Hill Country Club including swimming, baseball, basketball, archery and much more. All of our instructors are CPGA Professionals and are dedicated to the growth and development of junior golf. Camp counselors are also on hand to assist our staff each day. All golf instruction is performed at a 6:1 student to teacher ratio, with groups created based on similar skill level and age.

Our facilities consist of a championship 18 hole golf course, 21 station driving range, large putting green, bunker and chipping area, and a 1500 square foot indoor facility. The indoor Golf Learning Centre is used to greet students upon arrival and departure, as well as an area to utilize on rainy days. The golf portion of each day typically runs from 9:15am to 11:45 am, with lunch and various other fun activities scheduled in the afternoon.

FULL DAY PROGRAM

FOR EXPERIENCED JUNIOR GOLFERS

Our Full Day Program is designed for junior golfers aged 7 to 13 with some golf experience looking to advance their skills to the next level. Full Day camp is perfect for junior golfers that have participated in our Junior camp or clinics in the past. It is highly recommended that all Full Day students participate in a minimum **2 week program** to allow instructors to fully assess, improve and develop their abilities.

Each day runs from 8:30 a.m. to 3:30 p.m. starting with a 30 minute warm up on the driving range with their CPGA instructor. From there, students head out on the course with their instructor for **9 holes of golf**. While on the course, the instructor will evaluate their strengths and weaknesses and prescribe a practice session for after the round. After lunch, the remainder of the afternoon is dedicated to improving specific areas of performance on the driving range, short game area and putting green. Full day golf program participants are dropped off and picked up directly at the Richmond Hill Golf Club, with lunch taking place in the clubhouse area.
