PROGRAMS

Learn and Play

Clinics are designed to move you along the Adult pathway & improve your game efficiently in singles & doubles. These 60 minute classes are designed to provide more instruction and focus on improving technical and tactical skills. 6 players per coach.

Drill and Play

Programs are high intensity, high repetition & pure fun! Designed for practicing skills learned in our clinics, drill programs are non-instructional more tactical focused point play in nature to allow you to get high volume practice and feedback. Classes are 60 minutes in length. Must be a minimum of a 2.5 player to attend. 4 players per coach.

Cardio Tennis

60 minutes of high-tempo, high intensity drills and games. This class is perfect for all tennis and fitness levels. Come ready to work hard and have fun! Open to all levels. 10 players per coach.

Instant Tennis

This is our introductory tennis program for adult tennis players who want to learn the basic fundamentals and enjoy the game of tennis. Each 60-minute session will focus on stroke development, teaching players how to rally, court positioning and the rules of play. This program is geared toward players who have never played the game of tennis. 8 players per coach.
